

## Chicago Human Rhythm Project Leo Harris Tap Scholarship 2012 Policies and Rules

Welcome to the **Chicago Human Rhythm Project's 2012 Scholarship Audition**. This year we will be giving away **TEN \$1000** and **TEN \$500** scholarships for students to use toward our summer festival Rhythm World 2010!

This tuition waiver is valid for master classes, intensive residencies, and concert tickets only. **It does not include the registration fee.** It is also ***NOT*** valid for the YTEC program. If awarded a \$1000 scholarship, you must use it during both weeks of the program, including the first week of intensive residencies. If awarded a \$500 scholarship, you may redeem it during the first or second week of the program.

In every residency, course, workshop, or master class, there are only 5 openings designated for scholarship students. Within each group, registration will be processed on a first come, first serve basis. Please remember that CHRP invites **only the best instructors** to participate in the program therefore all classes will provide excellent learning opportunities for students.

If you don't get all of your first choices, you are still required to use the full value of your scholarship, even if you buy additional master classes. **If you do not use your entire scholarship, it will be given to someone else.**
