ARTS EDUCATION PROGRAMS and the MAYFAIR ARTS CENTER

Dear Friends, Family and Colleagues,

On Tuesday, July 16th, 2024 at the iconic **Jazz Showcase**, Chicago Human Rhythm Project will honor CHRP board member **Michael Foster** and Broadway veteran **Derick Grant** with **JUBA! Awards for Extraordinary Commitment to Culture and Community**. As we celebrate the extraordinary contributions of long-serving board member Michael Foster and world renowned tap artist Derick K. Grant, we'll also be raising much needed funding to support and expand arts education programs in and around CHRP's Mayfair Arts Center (MAC).

The MAC's recent "re-opening" heralds the revitalization of a South Side institution, the Mayfair Academy, as a growing center for arts education and economic-community development. To support this expansion of our services in Calumet Heights and surrounding neighborhoods, CHRP launched **RAISE THE ROOF** - a \$1.7 mil comprehensive campaign to acquire, repair and operate the MAC. To date, we have raised \$1.3 mil toward this goal and we invite you to help us complete this campaign. In addition to the gala, naming opportunities are available for the Mayfair Arts Center.

Please join us this year as we celebrate **Michael Foster and Derick K. Grant** for their remarkable lives of service and creativity as we **RAISE THE ROOF!**
