35th Anniversary Rhythm World Gala JUBALEE!
Honoring

Jumaane Taylor, Nora Daley and Alderman Michelle Harris

Supporting

ARTS EDUCATION PROGRAMS and the MAYFAIR ARTS CENTER

On Wednesday, July 16th, 2025 at the beautifully restored **Studebaker Theater**, Chicago Human Rhythm Project will honor **CHRP Artistic Director Jumaane Taylor and Civic Leaders Nora Daley and Alderman Michelle Harris** with **JUBA! Awards for Extraordinary Contributions to Performance, Arts Education and Community**. As we celebrate their accomplishments, we'll be Tapping into the Future to raise \$500,000 to improve and expand CHRP's community cultural center, the Mayfair Arts Center and its many programs for children, teens adults and elders.

The MAC's "re-opening" heralded the revitalization of a South Side institution as a growing center for arts education, creative expression and economic development. To support this expansion of our facility and programs, CHRP has launched the **TAP into the Future Fund** - a \$1.75 mil comprehensive campaign to acquire, expand and operate the MAC. To date, we have raised \$1.25 mil toward this goal and we invite you to help us complete this campaign. In addition to the gala, naming opportunities are available for the MAC's dance and music studios as well as a broad range of facility and community improvements. Please join us this year as we celebrate **Jumaane Taylor, Nora Daley and Michelle Harris** for their remarkable lives of creativity and service as we **TAP INTO THE FUTURE!**
