

Dear Friend,

We sincerely hope that this letter finds you and your loved ones safe and well! It's been another challenging year for everyone as the world struggles to find its balance, but as we look forward to 2024 and beyond, we want to share some good news.

Our still-new arts incubator - the Mayfair Arts Center or "MAC" - served more children, teens, adults and elders, more independent artists, and more small to medium-sized dance companies through classes, performances and business development services.

With the help of generous individual donors as well as grants from The Chicago Community Trust and City of Chicago's Dept of Planning and Development, our plans to expand, improve and operate this amazing facility in Calumet Heights have moved forward.

The State of Illinois invested in CHRP and MAC with a line-item appropriation acknowledging us as a community anchor!

- Our summer festival of American tap - Rhythm World - presented multiple world premieres at the DuSable Black History Museum and was honored to be chosen as a part of the first Millennium Park Residency cohort.
- Our arts education program - We ALL Got Rhythm - roared back and is currently providing weekly classes in eight (8) Chicago Public and Charter Schools.
- All told, our performance, education and community development programs reached more than 25,000 people in 2023.

Please make a gift today to support CHRP-MAC and thanks to the extraordinary generosity of Elaine and Arlen Rubin, your gift will be matched up to \$25,000! We are very grateful for your past support and look forward to seeing you in 2024 at the MAC, at our 34th Annual RHYTHM WORLD, July 10 - 21, or at any of our community based programs.

Thank you again and may you have a blessed holiday season and wonderful new year!
